## Welcome to the 2011 Charter Cup

On behalf on the entire Community Day Charter Public School community, we wish to thank you and welcome you as a participant in the 11th annual edition of the Charter School Cup.

In this newsletter you'll get a variety of information including, directions to the tournament site, a list, the full tournament schedule, and a list of tournament rules.

### 11th Annual Charter School Cup History

The Charter School Cup began as a way to bring together Massachusetts charter schools back in the year 2000. The end of the year tournament was a way to reach out in friendship and to showcase the good work that each of our unique schools do everyday. And let's not forget to play some basketball.

The inaugural Charter School Cup was held in Hamilton, Massachusetts at the campus of The Pingree School. The beautiful Pingree campus was the perfect facility for the original field of 10 Boys' Teams and 8 Girls' teams.

The tournament moved the following year to the city of historic city of Lawrence and home to the host school, Community Day Charter Public School. This year the CSC will be held at the beautiful Eastern Sports Center building in Plaistow, N.H. Four full courts and a in house cafe make this the perfect site for the Cup

KIPP Academy looks to repeat as Men's and Women's champs this year. The men's field is the strongest ever assembled for the CSC, along with a strong women's field.

Five members of last year's all tournament team return this year with four of those members part of the First Team. This year's Cup is sure to be memorable.

## 2011 Charter School Cup Tournament Rules

The Charter School Cup asks all players, coaches, and spectators to display good sportsmanship. The Tournament leaders reserve the right to ask anyone who behaves in an inappropriate manner to leave the facility. It is important to make this a wonderful experience for all that attend.

1. The Charter School Cup Basketball Tournament is for boys and girls in the fifth thru eighth grades only (no post grads) and no more than 15 years of age through March 31st.
2. Coaches and chaperones are responsible for their players at all times. All players should be supervised when inside the facility. Coaches and chaperones should be aware of their players behavior and not let players wander around the building. We are not using our own facility and need to be respectful and very thankful for the use of the Eastern Sports Center. CDCPS is not responsible for lost or missing items.
3. Any coach, player, or those associated with the school who engage in rude/threatening behavior or damage school property will be banned from the site and will result in team forfeiture from the tournament.
4. Game Officials will have final decision in any game circumstance in guidance with tournament officials.
5. Uniforms must consist of shirts with numbers and are a like color. Shirts worn under uniforms should be the same color. Sneakers should be non-marking. NO Jewelry should be worn during games. Any uniform violations is 2 technical fouls and will result in two foul shots at the beginning of each half.
6. Rosters must be finalized 1 week prior to tournament.
7. All players must wear mouth guards at all times when on the court for the safety of all players. If a mouthpiece is not worn, it is a technical foul on the violating player resulting in 2 foul shots. If a player re-enters without a mouthpiece, the player receives another technical foul and is ejected from that game and may not play in the following game. If a team does not have mouth pieces, a technical foul is called on each player and if not remedied, the game is forfeited.
8. Lateness Rule- Any team late by more than 5 minutes for any game will result in the clock beginning and 2 foul shots taken every minute until the team arrives.
9. Only coaches and players on the original roster sheet are allowed on benches. Roster changes must be made one week prior before their first game. Changes cannot be made on game day. Any team that violates this rule will result first with a technical foul, the player not allowed to play, and if not remedied game is forfeited.
10. Jump balls will begin the game and any overtime periods. An alternating possession arrow will be used at all times.
11. All defenses are allowed on all days of the tournament
12. Teams must check players in during games at the scoring table. Players not at a scoring table prior to substitution will not be allowed in until the next dead ball.
13. All games will consist of two 15 minute halves of running time. Time will only be stopped on time-outs and injuries. The clock will run in all out of bound situations unless under two minutes in the second half (FINAL TWO MINUTES OF SECOND HALF IS STOP TIME). Half time will last 1 to 5 minutes at the discretion of the tournament leaders. There will be **one** overtime period of two minutes on Saturday games. On Sunday, overtime periods will be two minutes long with 1 minute between overtime periods until there is a winner. Overtimes are two minutes of stop time.
14. Each team is allowed four (4) 30 second time outs per-game. Teams receive one additional timeout in overtime.
15. Any player with five (5) fouls in a game is disqualified from that game. Any player or coach who receives two (2) technical fouls in a game will leave the bench and not be allowed on the bench for their team's next game. Teams will shoot one-and-one after seven (7) team fouls. Teams will be over the limit with ten (10) teams fouls and will result in two (2) free throws for the remainder of time in the half or game.
16. Running up the score is forbidden. Coaches should keep scores respectable and call off pressure if a team falls behind by more than 15 points or at referees discretion. If a team continues to run up after warning from tournament official or game official, game may be forfeited.
17. Any rule not listed here will be in accordance with NFB or MIAA regulations.
